MBChB & PhD (Ukr), FRCOG (UK), MMed & FRANZCOG (Aus)
Gynaecologist - General and Aesthetic, Endoscopic Surgeon

CURRICULUM VITAE

I am Gynaecologist with special interests in minimally invasive surgery, urogynaecology and aesthetic gynaecology. I am a dedicated clinician currently working in private practice at Mediclinic Cape Town, Gardens. I also have practice in Johannesburg, Sandton area. I am a researcher with a number of publications on various subjects including a PhD and a Master of Medicine Degree. I enjoy teaching and training. I strive to constantly develop my own skills and knowledge through courses, networking and academic work. I embrace teamwork and enjoy the development of top-quality services for women. I have experience working in low- and high-resource settings in various cultural environments (Ukraine, Sweden, Australia and South Africa), which helps me to stay open-minded meanwhile aiming at excellence. I have interest in non-invasive body contouring and run Body and Skin Clinics in Johannesburg and Cape Town. I believe that each and every person can make a difference.
